

CANCER

Prevention is far, far better than the cure

By Dr Bruce Dewe, MD

1-Diamond Director

Member of the Health Professionals Council

This FREE presentation is for you and your friends.
Dr. Dewe will be:

→ **COVERING ALL ASPECTS OF CANCER AND HEALTH CARE**

- Discussing both medical and complementary options.

→ **EXAMINING IN DEPTH THE BENEFITS OF SUPPLEMENTATION**

- To upgrade the protective power of the immune system
- To replenish nutrients needed to repair and heal.

→ **RECOMMENDING A PREVENTION PROGRAM**

- Extra support for those needing it.

→ **SUGGESTING A SPECIFIC REGIME OF GNLD NUTRITIONAL PRODUCTS**

- Because of their scientifically proven benefits
- He will explain in what ways they may help protect against cancer.

→ **SHOWING YOU...**

- How you can set up your own support team if you are living with cancer.
